

KCP'S STUDENT CENTER: LET'S DREAM OF THE POSSIBILITIES TOGETHER

Our 21st Century Student Center will have the wonderful cafeteria we've been waiting for!

But we must all dream together about how else we can take advantage of all it will have to offer! IT IS UP TO US!

For starters, we must find a name for it!... and your class can go down in KCP history for having chosen just the right name to suit this marvelous building!

Sounds COOL! How can we participate?

Brainstorm together during class time and come up with original name ideas! Then, choose the best option together! Each class is only allowed to participate with one name proposal.

Preschool and Elementary:

All homeroom teachers should include this activity in the week's academic agenda and should lead and supervise the process. Each teacher will submit their class's proposals to mailkcp@kcparrish.edu.co

Secondary:

Each English department teacher should include this activity in the week's academic agenda and facilitate the process. Teachers will submit one proposal per grade (6th-12th) to mailkcp@kcparrish.edu.co

Make sure you take a trip down to the construction site as a class before to see how the building is looking so far and get the extra inspiration you need then ... let your imagination fly!

You should avoid:

- Names that are too long or confusing
- Avoid using proper names (names of people)
- **Only** names in English will be considered

Make sure you keep in mind:

- Creativity is key
- The names must embody our spirit and culture
- Catchy names that are easy to remember are always the best option!

Judging & Recognition:

A judging committee will choose only 5 name options from all the proposals received.

We will hold the “Student Center: Name Elections” where every student will receive a voting ballot! May the most popular name win!

The winning name will be announced in 2 very special assemblies (Elementary and Secondary).

The winning grade level will have a permanent recognition in the new Student Center’s placard, accrediting them for the original name idea! They will also get to choose the logo that will go with the name and get a popcorn or pizza party!

Contest duration:

The contest will only be open for 2 days starting on December 3rd! Hurry up and get working!

WE HOPE TO RECEIVE CREATIVE PROPOSALS FROM EACH GRADE!

Ready, Set, GO!!!!
